

The Professional Women in Building Council of the Upstate aims to maintain a high level of professionalism for women in the building industry through continuing education and professional development, the interchange of ideas, and networking. Empower, Enhance, and Encourage is our moto.

From educational training to the interchange of ideas, networking and recognition, the Sales & Marketing Council of the Upstate supports new home sales and marketing professionals. Learn More, Earn More is our motto.

Joining an HBA Council is a great way to continue building a community that actively supports a robust building industry.
